Work Experience

Coding Instructor

Coding Ninjas - Scarborough, ON
June 2023 to Present

Highly skilled and enthusiastic Coding Teacher with a passion for fostering a love of programming in students. Experienced in designing and delivering engaging coding lessons that cater to various learning styles and skill levels. Committed to creating a supportive and inclusive learning environment that encourages creativity and problem-solving. Strong knowledge of programming languages and tools, combined with excellent communication and presentation skills.

Data Entry Work

Squared Monitoring, Information & Media Pvt Ltd - Malviya Nagar, Delhi
March 2021 to October 2022

I worked in Squared Monitoring as a part time data entry logger in which I entered all the data into different computer bases and also managed and maintained effective record keeping. I also organized files to collect information for future use. Due to my efficiency, flexibility, and also because of amazing team, the services offered by the company were in very demand and eventually the company's profit rose from 45% to 65%.
